

1772 Meetinghouse Restoration Committee
Meeting
September 13, 2012
New Durham Public Library
5:30 p.m.

Members present: Cathy Allyn, Bob Craycraft (via telephone)

Call to Order: Chair Cathy Allyn called the meeting to order at 5:30 p.m.

NH Preservation Alliance Application: Cathy indicated that she and George Gale finished the LCHIP application on time and it was thorough and professional. She said George drove it to Concord to hand deliver it. She said that George discovered the deadline for the NHPA's Seven to Save status nominations was coming right up, and since the committee had so much information from the LCHIP grant application, it would not be terribly difficult to apply for that, too.

Motion by Bob Craycraft to pursue the NHPA Seven to Save nomination; second by Cathy. 2-0.

The committee agreed that George and Cathy should write up the nomination application.

Approval of Minutes: Cathy suggested the minutes of the August 29 meeting be tabled, as there were some technical amendments to make. Bob concurred.

Adjournment: Motion by Bob at 5:40 p.m. to adjourn; second by Cathy. 2-0.

Respectfully submitted,
Cathy L. Allyn
