RE: Milfoil Treatment in the Merrymeeting River, New Durham, NH

Dear Marc,

I am the Chairman of the Milfoil Committee in New Durham, New Hampshire and I am enclosing with this letter the following.

1. A copy of the application which we submitted to the State for the treatment of Milfoil in the Jones Dam Pond/ Merrymeeting River area.
2. The acknowledgement from Amy Smagula from New Hampshire DES that the application has been received. In her response she has requested we contact you and request a bid from you for the treatment.
3. The map of the area that is to be treated. Please note that the actual area of treatment may differ slightly from what is shown on the map.

The bid is due by October 15, 2008. Amy has given us a few extra days, but I am hopeful the bids can be submitted by that date.

Please contact Amy directly if you have any questions. Thank you.

Sincerely,

Arthur Hoover
