

## **New Durham Planning Board Site Walk Minutes July 13, 2015**

Members Present: Greg Anthes, Terry Chabot, Bob Craycraft and Scott Drummey

Others Present: Charlie McKay and Brad Jones PE

Board members met at the McKay Pit on Pine Point Road (Tax Map 102 Lots 5 & 6) and Chair Drummey convened the site walk at 1905 hrs.

Board members, with assistance of applicant Charlie McKay and his engineer, Mr Brad Jones, viewed site features associated with an Excavation Permit Renewal:

- Location of active and proposed gravel excavation areas
- Location of aggregate piles including graded sands, boulders, etc.
- Location of the berm along the northeasterly boundary of the pit that protects a nearby stream by directing and infiltrating stormwater within the gravel pit.
- Location of rip-rap to manage stormwater along Pine Point Road

Terry moved to adjourn the site walk at 1948 hrs and Bob seconded the motion. The motion carried unanimously.
