NEW DURHAM ZONING BOARD OF
ADJUSTMENT

JUNE 6, 2012

The Zoning Board was scheduled to hear a request from Joe and Cheryl Mullen for a variance to Article XVII.F.2.c to allow construction of a new house that uses 19+% of lot, instead of 15% allowed. The site is on property located on 288 South Shore Road, (Tax Map 113, Lot 009). The request was withdrawn on June 4, 2012 so no meeting was held.

Respectfully submitted,

David Allen
Land Use Administrative Assistant
