Martie will work with Elder Services and LuAnn to get a copy of the RFP that is used for contracting with Home Care Agencies. Martie wants to use some of the language to put one together to submit to a few agencies in the local area to maybe work with the COA to develop a short-term care support program that potentially can be funded by grants from the Friends of the COA and the Society for the Relief of Aged Women. This is in the infancy stage and will keep the board aware as we move forward.

Martie will be looking at putting together a budget for the Friends for monetary needs to supplement COA budget. Such needs will continue to be the fuel for the van, the printing of the newsletter, the funding of the Volunteer Luncheon and possibly some wellness and cultural events.
