

THESE MINUTES ARE SUBJECT TO APPROVAL BY THE BOARD OF FINANCE

The Board of Finance held their regular meeting on Monday, May 13, 2013 in the Council Chambers at the Municipal Center, 3 Primrose Street, Newtown, CT. Chairman John Kortze called the meeting to order at 7:30pm.

**Present:** John Kortze, Harry Waterbury, Joseph Kearney, Carol Walsh and James Gaston, Jr.

**Absent:** Richard Oparowski

**Also Present:** First Selectman Pat Llodra, Director of Finance Bob Tait, Director of Public Works, Fred Hurley, Kathy Quinn of the Sustainable Energy Commission, 5 members of the public and two member of the press

*Voter Comment:* None

*Minutes:* Mr. Waterbury moved to accept the minutes of April 8, 2013, Ms. Gaston seconded, motion unanimously accepted.

*Communications:* Mr. Kortze received a letter from Janet Robinson(Attachment A) asking if the Board of Finance would like to have a representative present during Board of Education Administrators unions contract negotiation. An official e-mail has been returned that they are interested.

Mr. Kortze has also sent a request and suggestion to Debbie Leidlein, that once the budget settles, they need to sit down as a group and talk about enrollments, thoughts and process. An update for the anticipated enrollment is needed for the Bureau of School Facilities. The primary goal is to talk about this outside the budget process, so they can have a conversation and understand enrollment vs budget increases. An open conversation will bring understanding to the public that this is what we need or that the BOE will understand this is the trend and one way or another they will be on the same page outside of the budget process.

*First Selectman's Report:* She thanked everyone for participating on the task force. One of the benefits of doing it that way is having all levels of government informed about where we are. She meets with the folks in Hartford as does the technical team lead by George Benson. One of the critical pieces is part of the legislative act that would need to be successfully passed before June 6<sup>th</sup> is a "not to exceed number". She believes it will be between the 42 and 46 million dollar number. It will also depends Bureau of School Facilities advises as to school size. The current enrollment is about 450 and the proposal is built for 600 so they may ask for it to be pared down to 450.

*Finance Director Report:* Mr. Tait gave an update on the grants related to Sandy Hook. The JAG grant for PD expenditures, the Victims grant, the Serv grant which is for the Board of Education and the COPS grant. The JAG grant - OPM is working with US Department of Justice Office of Justice Programs Beaurto of justice Assistance, on behalf of local and state police relating to the incident. The OPM from the federal government received a letter inviting us to apply for the funding.

The victims grant – last week, the federal government paid for a private consultant to help them construct an application.

COPS Grant – deadline is May 22<sup>nd</sup> and the Police Department is filling that out.

SERV grant – Mr. Tait spoke with Ron Bienkowski today and they still do not know how much they are getting and when.

#### **UNFINISHED BUSINESS**

*Policy on depositing unexpended education funds to the Capital/Non-Recurring Fund*-item not discussed

*Board of Education Reserve Fund Statute* – item not discussed

*Board of Education Monthly Financial Report, March 31, 2013* – item not discussed

#### **NEW BUSINESS**

*Sustainable Energy Commission – Energy savings performance contracting* - Fred Hurley and Kathy Quinn presented the Energy Savings performance contracting. The ESCO would come in and do an investment grade audit, make improvements and the improvements would be paid out of savings in utility costs. The players would be the town utility accounts, the company that does the improvements, the financing arm and the oversight engineer. In the event we do not get the savings that we are expecting, the ESCO would be on the hook for the difference. All the town buildings would be included in the audit. (Attachment B)

*Police School Security Overtime Overage* – Mr. Tait reported that the Police Department overtime cost is about \$180,000 for the last three months and hopefully that will be paid for in a grant. The next three months are not a guaranteed which is April through June. He is not guaranteeing that they will need that much but wants to make sure there is enough there. If a grant does happen then the moneys would go into the fund balance. The resolution to amend the Board of Selectman 2012-2013 budget by \$100,000 was postponed until they know what grant funds the town will be receiving.(Attachment C)

Mr. Kearney moved to transfer from re-appropriation account 09500-5080 "Highway Capital" of \$30,000 to re-appropriation account 09310-100 "Police Overtime". Mr. Waterbury seconded, all in favor.

Mr. Kearney made motion to a resolution providing for a special appropriation in the amount of \$50,000 to be funded from the Sandy Hook Special Revenue Fund "Undesignated" Donations Account 33-400 for the purpose of school security overtime relating to the 12/14 incident. Mr. Waterbury seconded, all in favor.

Mr. Kearney made motion to A resolution providing for a special appropriation in the amount of \$9,775 to be funded from the Private Purpose Trust Fund "Scholarships" Donations Account 34-401 for the purpose of making a contribution to the Newtown Scholarship Association's Sandy Hook Elementary School memorial Scholarship Fund. Mr. Waterbury seconded, all in favor. (Attachment D)

# What is an ESPC?

- An Energy Savings Performance Contract is a tool that a municipality can use to perform energy efficiency upgrades on buildings with no upfront costs. The costs of the efficiency upgrades are paid for through guaranteed savings on future energy bills.

## How Does It Work?

## Examples of Upgrades Include:

- Lighting upgrades and Controls
- HVAC Systems
- Energy Management System Controls
- Motors
- Building Envelope Measures
- Water Conservation
- Cogeneration
- Heat Recovery
- Demand Response
- Parking lot & Street Lighting

## Advantages of an ESPC

- Savings are guaranteed by the ESCO – typically 20-40%. Payback period is generally 10-20 years.
- A 'Single' procurement is used to purchase a complete package of services on an open book basis with no change orders.
- Quick payback retrofits, such as lighting, can be used to offset longer term retrofits, such as boilers. Avoids capital expenditures
- Supported by the State of CT and the Utility companies as an effective means of saving energy costs.
- An ESPC will not be in conflict with any ongoing programs already in process. (ie. Solar panels to be installed on the Middle School).

## Newtown Project Update

- March 23, 2011 - Celtic Energy selected as Owners Representative to assist with ESCO selection. Funding was provided by the American Recovery and Reinvestment Act.
- Celtic Energy analyzed town & school facilities to determine the feasibility of an ESPC project. RFP focused on:
  - Municipal Center
  - Newtown Middle School
  - Middle Gate Elementary School
- Celtic Energy worked with Sustainable Energy Committee, Dept. of Public Works, Buildings & Site Committee, and School Buildings & Grounds staff to develop an ESCO RFP

## Newtown Project Update continued

- February 2012 - ESCO RFP issued
- February 9, 2012 - Mandatory ESCO pre-bid meeting– Attended by 8 ESCOs
- March 26, 2012 - RFP's due– Ameresco and Honeywell submit responses.
- April 3, 2012 – Celtic Energy submits Quantitative Reviews of ESCO responses
- April 25, 2012 – Celtic Energy Submits Qualitative Reviews of ESCO responses
- May 14, 2012 – ESCO interviews at Newtown Public Works Facility

## Newtown Project Update continued

- Both Ameresco & Honeywell had strong credentials & financial resources
- The selection committee determined that Ameresco developed a more intensive review and was selected as the best choice for Newtown

# Ameresco ECMS

- 17 Energy Conservation Measures
- Approximate \$ 4 million project
- Annual Energy Savings \$313,789
- Savings based on 3 sample buildings (Middle Gate Elementary, Newtown Municipal Center, and Newtown Middle School)

## IGA -- The Next Step

- Ameresco would conduct an IGA on all Town Buildings
- IGA is conducted to present all cost-effective ECMS for systems such as lighting, HVAC, water, etc.; significant detail to understand the project scope and benefits,
- Technical and financial detail to track the savings (or potential shortfalls) throughout the life of the project.
- IGA should be submitted in phases in order to show progress:
  - 30% - Identify baseline, ECMS, Metering Plan and M&V Outline
  - 60% - ECM Development, preliminary M&V and cost & savings
  - 90% - Complete ECM, Firm costs & Savings
  - 100%-IGA Complete, comments reviewed and accepted

## IGA Development Assistance

- Recommended that Celtic Energy, our current Owner's Rep be retained to oversee the IGA Phase
  - Assist in negotiating IGA
  - Attend IGA kick-off meeting
  - Facilitate Bi-weekly conference calls to review the IGA
  - Review 30%-60%-90%-Final IGA Process
  - Assist Newtown negotiate and finalize the ESA
  - Communicate with designated Town & School staff throughout the process

**POLICE SCHOOL SECURITY OVERTIME OVERAGE**

- A RESOLUTION AMENDING THE BOARD OF SELECTMEN 2012-13 BUDGET BY \$100,000; INCREASING ACCOUNT 01310-1005 "POLICE OVERTIME". NO CORRESPONDING BUDGET AMENDMENT TO ESTIMATED REVENUES IS REQUIRED DUE TO THE FACT THAT THE ADOPTED 2012-13 BUDGET HAD A BUDGETED CONTRIBUTION TO FUND BALANCE OF \$100,000 (ESTIMATED REVENUES WERE \$100,000 GREATER THAN BUDGETED APPROPRIATIONS). IF THESE EXPENDITURES ARE REIMBURSED BY GRANTS, THE GRANT PROCEEDS WILL BE APPLIED TO GENERAL FUND REVENUES (MISC STATE GRANTS).
- REQUEST A BUDGET TRANSFER FROM REAPPROPRIATION ACCOUNT 09500-5080 "HIGHWAY – CAPITAL" OF \$30,000 TO REAPPROPRIATION ACCOUNT 09310-1005 "POLICE OVERTIME".
- A RESOLUTION PROVIDING FOR A SPECIAL APPROPRIATION IN THE AMOUNT OF \$50,000 TO BE FUNDED FROM THE SANDY HOOK SPECIAL REVENUE FUND "UNDESIGNATED" DONATIONS ACCOUNT 33-400 FOR THE PURPOSE OF SCHOOL SECURITY OVERTIME RELATING TO THE 12/14 INCIDENT

**TOWN OF NEWTOWN  
POLICE OVERTIME - SCHOOL SECURITY - FUNDING  
2-May-13**

**Comment:** Due to the 12/14 incident and the resulting school security the police overtime account will be over budget. A JAG grant will cover part of the overage. The amount of the JAG grant is not known at this time. An amount of \$180,000 was reclassified to a JAG grant fund in anticipation of grant revenues. This represents an estimate of police school security overtime costs up to March 30, 2013.

Due to the unknown extent of JAG grant coverage for police school security overtime, additional overtime costs from April 1 to June 30, 2013 will have to be covered by the general fund budget. If they are later covered by grants, those grant revenues will be applied to general fund revenues (misc. state grants). It is estimated an additional \$180,000 of school security police overtime will be expended from April 1 to June 30, 2013 (using the current rate of overtime expenditures). Below is the planned funding for the \$180,000:

- Increase the appropriation of account 01310-1005 "police overtime" by \$100,000. This will be accomplished by a budget amendment. A corresponding increase to estimated revenues is not necessary do to the fact that the adopted budget had a budgeted increase to fund balance (estimated revenues were \$100,000 more that appropriations).
- A budget transfer from reappropriation account 09500-5080 "highway capital" of \$30,000 to reappropriation account 09310-1005 "police overtime". A \$50,000 appropriation in 2011-12 was authorized to be transfered to 2012-13 for the purpose of purchasing a work order system. This has not been done yet do to various reasons. These funds are now needed for school security.
- A special appropriation in the amount of \$50,000 from the Sandy Hook Special Revenue Fund (donations) "undesignated account" for school security police overtime.

**RECAP TO FUND SCHOOL SECURITY POLICE OVERTIME BUDGET OVERAGE:**

Budget amendment to 01310-1005	100,000
Budget transfer to 09310-1005	30,000
Special appropriation from undesignated donations	50,000
	<u>180,000</u>

NOTE: Any JAG grants recieved above and beyond the intial \$180,000 (reclassified to grant fund) will be applied to general fund revenues (misc state grants).

### NEWTOWN SCHOLARSHIP ASSOCIATION ANNOUNCES NEW SANDY HOOK ELEMENTARY SCHOOL MEMORIAL SCHOLARSHIP AND BENEFIT CONCERT

**NEWTOWN, Conn.** – The Newtown Scholarship Association (NSA) has established the **Sandy Hook Elementary School Memorial Scholarship Fund**. "As you struggle with how to respond to last week's senseless tragedy, please consider investing in the futures of the children who survived," says NSA president Julie Savino.

These scholarships will provide need-based financial assistance to college-bound high school graduates from Newtown, with preference to those who attended Sandy Hook Elementary School.

"Today, in the face of an unfathomable tragedy, we are more resolved than ever to come together and support our best hope for the future—our children," Savino says. "Through this tribute to the 20 children and six faculty members whose lives were cut short by violence at Sandy Hook Elementary School, we can offer support and encouragement to young people from Newtown whose dreams for the future live on."

Thank You,  
Sacred Heart University,  
for hosting the Newtown  
Community on February 23rd.  
Newtown Residents received  
free admission to the men's and  
women's basketball games, as  
well as the men's hockey game.  
A percentage of the proceeds  
will go to benefit the NSA's  
SHES Memorial Scholarship.
