

PFS extension vote

Dear Board Members;

Due to the fantastic work that Kaitlyn did on the Partnership for Success Grant (Fusion& underage drinking) the Department of Mental Health and Addiction Services has given us a one year extension. We are thrilled with the news, however I need to have an immediate vote to approve the accepting of the grant.

I need a motion, and 2nd and a vote via email by Monday August 25th:

The motion should be:

Newtown Youth and Family Services agrees to enter into and amend contractual instruments with the Department of Mental Health and Addiction Services of the State of CT to accept a grant of \$25,777 for an extension for the PFS grant.
