Social media, We think of ourselves as very involved parents - but were not aware that our daughter was attending this party. Your officers first priority was to be sure that all got home safely & for that we are thankful -

We stand behind you 100%

3 Primrose Street  
Newtown, CT 06470

Dear First Selectman Llodra:

The enclosed is heartfully given in recognition of the gripping sadness visited upon your community and our state.

After allowing some time to pass and having consulted with a good friend in Newtown, we want, by this gift, to give special recognition to Officer Michael McGowan of the Newtown Police Department. Officer McGowan's bravery, sensitivity and professional response to the unimaginable circumstance in which he found himself on December 14, 2012 is an inspiration to all in and out of public service. May he and his fellow first responders know in some small way that their daily calls to action are appreciated.

Sincerely,

Kathleen C. Mylod
