***“The Big Picture”***

June at Artworks@7th features “The Big Picture,” a collection of new paintings by award winning acrylic and mixed media artist Carol Wade. The exhibit offers a variety of charming, enchanting, and interesting subject matter, such as water lilies inspired by a local nursery; Indian ruins in Arizona; a portrait of a family member, and so much more. As Carol says: “I love the dynamic nature of large paintings, it allows me the space to explore images in abstract detail.” And we think you will enjoy her artistry as well.

Come join us for the show’s opening reception on Saturday, June 7th, from 4 - 8 p.m. – it’s free! If you can’t make the reception, then come by any other time during our normal business hours, the show will be up June 5th thru the 30th.

We are located at 9100 Bay Avenue, North Beach, MD 20714 – Hours: Thurs - Mon, 12p.m. – 7 p.m.  
Telephone 410-286-5278 or visit our website at [www.artworksat7th.com](http://www.artworksat7th.com).

Optional Added:

And while you’re at it you can also get a look at works of photography and hand-made jewelry by our newest member artists, see the works our other artists have been producing or just get out of the house and do something that’s free, visually appealing, and fun. Beautiful silk dyed scarves; jewelry for the young and the not so young; still life, landscape, and abstract paintings of various styles and techniques; photographs of the familiar and not so familiar; and ceramics with some new glaze explorations, are just a few of the artworks available for you to peruse and enjoy.
