Map 1, Lot 65, Atlantic Ave
North Hampton, NH

A quorum of the North Hampton Conservation Commission may be present to conduct a site inspection meeting to monitor conservation land at the location, date and time shown above.

The only Agenda items will be to view the Conservation land to help to determine whether it complies with the Conservation easement, and to obtain information from the Owner's representatives by questions from Commission members.

No Commission deliberation or action will be taken at the site walk

Public comment will not be invited at the site walk.
