Mr. Wilson called the meeting to order at 9:40 AM. He noted that a quorum of the Planning Board was present and that he would preside because the Joint Meeting of Boards had been called at the request of the Planning Board to hear Ms. Robinson's presentation of the Sustainable Development Audit she had conducted at the direction of the Planning Board.

Ms. Robinson went through the Sustainable Development Audit report that she had prepared, and then she took comments for those attending.

A copy of Ms. Robinson's report is appended for the record.

A copy of her redaction of comments from participants is also appended for the record.

At 11:08 AM Mr. Gould left and there was no longer a quorum for the meeting.

Those who chose to continue participating in the discussion continued giving Ms. Robinson comments until 12:30 PM, when the group disassembled.

Respectively submitted,

Phil Wilson, Chair, North Hampton Planning Board
