

Board of Selectmen Meeting
November 7, 2005
Approved 11/14/05

A Board of Selectmen's meeting was held at 1:00 P.M. at the Offices of the Department of Revenue, located in Concord, NH, on Monday, November 7, 2005 to conduct the business of setting the Town of North Hampton's tax rate.

A motion was made by Jon Rineman to authorize the tax rate of \$15.05 per thousand, and further authorizing the Department of Revenue Administration permission to take \$8,000 from the Town's Undesignated Fund balance account if the rounding of numbers was to create the adding of a penny to the tax rate. A second was made by Emily Creighton. All in favor.

Respectfully submitted,

Janet Facella
