**2.1 Gas Line**

Town Administrator Apple led the discussion on the installation of a gas line and the warrant article that would be needed to complete the project. Discussion ensued on which warrant the article should appear; the town or school.

Bill Hickey discussed replacement costs and replacement schedule of equipment at the school.

The consensus of the Select Board and of the School Board was to wait on putting forth a warrant article for FY2015.

**2.2 Snow Plowing**

Snow plowing and snow removal by the North Hampton Public Works was discussed. The current Arrangement is working and will be kept as is.

**2.3 March Elections/Voting Location**

Discussion of elections and the location were discussed. It was the recollection of all those present that it was previously agreed upon that elections will be alternated between the town hall and the school, except for the presidential elections. Because the presidential elections have a larger voter turnout, the school is better able to handle the volume.
