Henry Fuller, Co- Chair
Robert Landman, Co-Chair
Tim Harned, Secretary
Richard Bettcher

Approved 8/28/2008

Minutes of North Hampton Water Commission Meeting
27-Sept-2007

Call to Order:

Henry Fuller, Co-Chairman, called the meeting to order at 5:11 PM. Present were Richard Bettcher, Henry Fuller, Tim Harned and Bob Landman.

Current Issues:

There was a general discussion of a request by Glen Martin to the North Hampton Planning Board to be allowed to use the "Hobbs" well for irrigation purposes. Mr. Fuller provided an update on the past history of the well development and the reasons (Coakely land fill) the wells was never permitted by the New Hampshire Department of Environmental Services (DES) for use. Mr. Fuller also noted the approval of the Evergreen Subdivision was conditioned on the proper abandonment (capping) of the well according to DES standards and no new wells are to be developed within the Evergreen Subdivision.

Mr. Landman moved and Mr. Fuller seconded a motion the Water Commissioners sign and send a letter to the Planning Board stating the Water Commission is opposed to the operation of the Hobbs well and it should be abandoned as required by the original Evergreen Subdivision approval.

Adjournment:

At 5:29 PM Bob Landman moved to adjourn the meeting. Mr. Fuller seconded the motion. The motion was approved unanimously.

Respectfully submitted,

Tim Harned
