Report of a green GMC pickup truck all swerving on Lafayette Road. The caller stated that the truck turned left into the mobile home park before the Subaru dealership. Partial plate of 237 was given. I located the vehicle in the driveway. I spoke to the operator, Clarence Corey, who stated that he was coming home from church, said that he was driving slowly because he was having difficulty seeing the road markings due to the fog and heavy rain. Clarence appeared ok and stated that he was not having a medical issue. Clarence said that he would not be leaving his residence for the rest of the night.
