Received a call from DAVONNA HOLDEN who wanted to find out how about going to pay an old unpaid parking ticket. I could not find her in NHPD system. She no longer has the ticket, but believes it was around 2005-2006 when she was living in Cambridge and moved around a lot. She told me the vehicle would have been registered under her name, and she does not recall what exactly the parking violation was. I asked her if it could have been Northampton, Massachusetts Police that issued her the ticket, and she assured me it was New Hampshire. I asked her if it was a police department, or a State agency that issued and she again assured me it was North Hampton Police. After continued conversation, she believes maybe it was Northampton (MA) that issued her the ticket and will call them.
