An anonymous caller reported a dog being left in a vehicle for the second night in a row at the above business. Located the vehicle with the dog in it. The dog had access to water and the windows were down. The dog did not appear to be in distress. I located the owner, Brown, who was working at Marshalls. Brown informed that the dog was dropped off approximately 1 hour prior, and she would be leaving work within the next couple of hours. I explained to Brown that it would be better for the dog to be elsewhere instead of staying in the vehicle for hours at a time. Brown is not a resident of North Hampton. Nothing further.

MANNING, MICHAEL S HAMPTON, NH 03842 Operator:

Observed a vehicle stuck off the roadway in a gravel driveway. The passenger of the vehicle, Shelley Gessay, claimed that her son and registered owner of the vehicle, Alex Sielicki, was driving the car and he had gone to a friends house to get help getting the car out from the gravel. A friend of Shelley's, Michael Manning, was with her on the scene when I arrived. I determined that Michael's license was expired and I advised him that he would not be able to drive his vehicle from the scene. Shelley's license was suspended and she was also not able to drive the vehicle. Shelley called AAA and Dave's Garage responded to pull the car out of the gravel. Shelley then said that her son Alex was stuck at a friend's house and was not able to make it back to the car to drive it. I told Shelley that her license was suspended and she could not drive. Shelley had Dave's garage tow the vehicle to her house in Hampton and Michael had a friend, Michael Pelczar, who did have a valid license, pick him up and drive his vehicle from the scene.
