Rock advised to call the above party reference an animal complaint. Made contact with Paul who stated that he had left a dog with his granddaughter Melodi who lives in North Hampton on Pine Rd. Paul stated that Melodi said he could come and see the dog and then changed her mind about it. Paul stated that he was hitch hiking from Wakefield, NH and that he was coming to see the dog anyway. I advised Paul that if Melodi didn't want him on the property, then he can't be there. Paul stated he didn't care and that he was going to show up anyway. I advised Paul that if we get a call about him being on her property without her permission, then he was going to be arrested. I attempted multiple calls to Melodi with no success. Paul did not know the exact location on Pine Rd. where she lived when I asked. I checked our IMC and found no records of a Melodi Eaton living on Pine Rd. or in North Hampton.

I was then able to make contact with Melodi and explained to her that Paul was trying to come down and that he might try to show up at her residence. Melodi stated that she could stay at her fiance's mother's house in Hampton. I also explained to Melodi that if she went home and found Paul there, to immediately call us. She stated she would. It was also determined that the dog was given to Melodi and her daughter as a gift and that it was now a civil matter. Melodi understood.

Calling Party: ODGERS, JOSEPH R NORTH HAMPTON, NH 03862

Involved Party: POPE, DAVID KEARSARGE, NH 03847

LEE contacted the NHPD and explained that an employee of The Beach Plum (ODGERS) had witnessed some suspicious activity on the previous night. I spoke with ODGERS who explained that while he was in the state beach parking lot and the business was closed, he observed a black/silver-colored sedan pull into the parking lot. A male then got out, walked over to the side entrance and then to the front windows. The male subject appeared to try and open-up the doors/windows but was not able to. The male subject then got back into the vehicle and it left going N/B on Ocean Blvd. ODGERS could not identify the male subject and was not able to get a license plate of the vehicle. I then spoke with LEE and confirmed that there were no signs of attempted forced entry or damaged property. I also confirmed with LEE that he did not want to file a report or have the matter investigated. LEE just wanted the NHPD to be aware and suspected that the subjects may've been acting on behalf of POPE who owns the property and is bitter about having to lease it to The LEE's.
