Involved Party: PONGRACE, JOSEPH M NORTH HAMPTON, NH 03862  
Dispatch advised of a loud party complaint involving a band on Pine Road. Upon arrival on Pine Road I heard some music and turned my cruiser off to determine where the music was coming from. I then heard some loud voices to my left and noticed some people moving about in the residence and the back yard. It got quiet, and then a male yelled over asking me if there was a problem and I told him there was. He walked over to his border to speak with me and I recognized him as JOSEPH PONGRACE. I told him I had a complaint about loud music that is why I was there. He told me six boys were playing music in his barn and he does not see the problem with it. I told him the problem was that it is 10:00pm on a Sunday night, and he angrily denied that it was 10:00pm. I asked him if he had a watch and he told me he did, and I told him to look at it and I shined my light on it. He told me it is 10:02pm, and I told him that is after 10:00pm. He had an attitude while speaking with me, and told me the boys were planning on stopping at 10:00pm and told me they have stopped. I agreed that they had stopped once I pulled in. He told me again he did not see the problem, and I asked him if he is familiar with the disorderly conduct statute. He walked away from me. While I was briefing Off. Adams in the roadway while seated in our cruisers, Pongrace and his son came to the end of their driveway and began staring at us. After I finished briefing Off. Adams, I pulled up to the Pongrace's and asked if there was anything else that I could do for them this evening, and they said no. I then wished them a good evening.

I came in contact with a female walking north bound on Lafayette Road. She advised that she was on the way to meet her boyfriend half way because he was coming to pick her up from Dover, she also advised that she was coming from the Stone Gable Motel in Hampton. She was identified as Tiffany Voisine. I ran Voisine with dispatch for warrants and it came back clear. Voisine had an odor of alcoholic beverage coming from her person, she advised that she had a few drinks early tonight and some of it spilled on her clothing. Voisine didn't appear to be intoxicated, she was talking and walking normal. I advised Voisine that I could give her a ride to the station so she could wait for her boyfriend there, I also advised her that it was dangerous for her to be walking in the street at this time of the night. She asked me to take her back to the motel to wait for him there instead. I talk with her boyfriend on her cell phone and gave him directions to the Stone Gable Motel, where he was coming to pick her up. I then gave her a ride to the motel and left her there.

 Henry Fuller stopped in to let us know that he had a run in yesterday with a member of Simple Green Hydroseeding who was filling the hydro truck from a protected water source. He attempted to explain that they had to have permission from the abutters. The driver showed him a piece of paper saying he could use the water but when Henry read it he noticed it was from 2005. He asked the person where he got it and he admitted he had downloaded it from the internet. Henry gave me a copy of the NHDES guidelines for using public water sources (attached to this entry). Henry will be addressing the issue through the water commission but wanted us to be aware of this in case the truck comes back.
