 Involved Party: BECK, JACQUELYN J NORTH HAMPTON, NH 03862

Returned a call to LAURA ROSA who informed of a neighbors dog that was loose today and ran off its property chasing after her son and onto their lawn and appeared aggressive. This is the second time it has happened, and she has already spoken with the dog's owner. I advised her what the options are, and she told me she would check with her husband and get back to me.  
 At about 1830 hrs. I received another call back from LAURA ROSA who told me she had discussed it with her husband and they would like me to call the BECK's and give a verbal warning.  
 At about 1930 hrs. I called and spoke with "Jackie" BECK and she informed me she was aware of the incident today. I explained to her this is a verbal warning and future violations could result in a written notice to abate the nuisance or a summons. She told me they are looking into the matter to prevent the dog getting loose. The dog(s) are registered in her name.  
 At about 1930 hrs. I called and left a message for LAURA ROSA that I had spoken with Jackie Beck and if she had any further questions to call me.

KING, MICHAEL HAMPTON, NH 03842

Mr. Michael King called to advised us of a domestic related incident that occurred at the Stone Gable Motel in Hampton between him and his girlfriend who he identified as Sabrina Dronsfield, he advised they had a argument and he was looking into placing a restraining order against her. King advised that his girlfriend was no longer at his room and left to her parents house I advised him that the motel is in the jurisdiction of Hampton and he needs to contact them. I then responded and spoke with Sabrina Dronsfield, I asked if she was with her boyfriend today. Sabrina Stated that they were together in a motel in Hampton but they had a argument and she left the motel. I asked her if the argument was only verbal, she advised that he was strangling her at one point and she fought back in self defense and left the motel, I checked her neck for any visible injuries but I couldn't find any. I then advised her that she should make a report to Hampton PD, she advised that she didn't want to do that because she was tired of all the incidents they had in the past, she also advised that they had broken up and were not together any more. I then returned to the station and informed Hampton of the incident that took place in their town.

Mr. Francis St Germaine stated that he wanted our agency to get in contact with his son and ask him to give back his car keys. Francis advised me that his son who he identified as Dennis St Germaine took his car keys away and his daughter took the other set of keys he had for his vehicle. Francis advised that the reason they did this was because they don't believe he should be driving due to medical reasons, Francis advised me that he was okay and he wants to drive his vehicle. I contacted his son Dennis and he advised me that his dad was at the Webster at Rye Assistant living place and he left the facility four days ago and went back to his residence in North Hampton. He also advised me that the reason they took his father keys was because they fear that he may hurt him self or hurt some one else if he drives again. Dennis advised me that they would have a family gathering tomorrow to talk to Francis and try to convincing to return to the Assistant living in Rye. I advised him that his family needs to get in contact with the DMV and ask for a hearing for his father's license, they advised that they will think about it and make the decision between the family. I advised them to call me if they need our agency assist

A walk-in complaint from a motorist who stated the traffic lights are not working properly at lights leaving Post Office, allegedly staying on red and vehicles waiting ten minutes and then having to go through the red light. I had recently used the lights without a problem leaving the Home Depot side a few minutes prior. I responded immediately up, and discovered no problems with the lights leaving the Post Office side. I was able to get a green light twice while using the left turn/straight lane, and once using the right turn lane. In the past the lights have malfunctioned when drivers improperly lined up within the lanes. Currently no problems with the lights.

While responding to alarm activation, I observed sparks falling from utility wires. This was due to a tree branch falling on top of the wires as a result of heavy snow. The branch eventually caught fire and I closed down the roadway and diverted all traffic. Both NHFD and PSNH were notified. The branch eventually fell to the ground and was extinguished. NHFD remained on scene and I assisted with traffic regulation.
