JDNO NOTICE

09/09/2014 AT 10:00AM

This is to confirm that we will meet at the above date and time at the Norwich J.D. Courthouse, 1 Courthouse Square, for the purpose of attempting to resolve the issues in this matter and the possibility of settlement.

Counsel and clients are required to attend this conference and expected to meaningfully participate in the mediation session. Please communicate with each other in advance to assure your attendance at the conference.

Attorneys are required to provide me with a mediation statement setting forth the history of negotiations, if any, and your client's view of an appropriate resolution of the areas in dispute. That statement should be received by me no later than two days before your scheduled mediation date. Please mail the statement to 1 Courthouse Square, Norwich or fax it to my attention at (860) 823-5800.

When you arrive at the courthouse, please proceed to the second floor. You will need the marshal's assistance to gain entry to the Judges' suite. Should you have any questions regarding the conference, please contact the civil caseflow office at 860-447-3472.

Please note: If your case is a collections case, failure to appear will result in dismissal or a default judgment and, if default is entered, the case will proceed immediately to a hearing in damages pursuant to Practice Book § 17-33. In the event of a hearing in damages, judgment may be entered against the defendant(s) and an order of payments as deemed appropriate.

Sincerely,
(Thomas A. Bishop)
