New Business: Birkbeck property-owner is interested in having state purchase the development rights to the property. This would link the Hewitt property to property currently owned by Avalonia.

Motion made to allow Dick Blodgett to talk to Mr. Birkbeck and Ms. Haddad about their wishes for the property they own. Dick will report back at the next meeting and the commission can discuss whether it should add them to the map designating them as "properties of interest". Motion passed 2-0-1.

Motion made to adjourn meeting at 6:45pm. Passed 3-0-0.

Respectfully submitted by Paige Brooks.
