The Board of Health met on Wednesday, April 8, 2009, in conference room B of the Northborough Town offices. The meeting was called to order at 7:00 PM by Glenn French. The minutes for the February meeting were approved as amended.

The Board reviewed a written request from Mary Napolitano, Treasurer for Metrowest Liquor & Convenience Store. Ms. Napolitano is seeking an extension on approved septic plans for the building located at 308 Main Street. In an e-mail, Ms. Napolitano indicates that the septic system is currently performing without issue. Ms. Roach advised the Board that Ms. Terry fully supports approving a one year extension on the septic plans. According to BOH records this septic plan was approved on June 27, 2006 and will expire on June 27, 2009. Prior to issuing an extension the Board requested more information as to how the system was deemed in failure and an assessment of the existing system.

The Board reviewed the recent food inspections that were completed by Ms. Terry, no outstanding issues were reported.

The next Board of Health meeting will be held on Wednesday, May 13, 2009.

The meeting was adjourned at 7:35 PM.

Respectfully submitted,

Sarah L. Roach
