The Board of Health met on Tuesday, October 11, 2011, in the Selectmen's Meeting Room of the Northborough Town offices. The meeting was called to order at 6:00 PM by Chairman Glenn French.

Mike Sullivan of Connorstone Engineering, came to represent 6 Donald Street. After discussing the property and the very confined lot, Ms. Terry advised the Board that this appeared to be the most protective option for the property. Chairman Glenn French made a motion to grant the variance request to allow a 3 foot groundwater separation instead of the required 4 foot and an 8' separation to polybarrier with a 2:1 slope, Deirdre O'Connor seconded the motion and the vote was unanimous.

Meeting was adjourned at 7:00PM

Respectfully submitted,

Jamie Terry
