Subject: Northborough "Cable" Committee meeting 7_7_10 summary

1- Participants:

- Kathy Dalgliesh
- Jeff Junker
- Dick Swee

2- Charter and Verizon Payment Reconciliation - this is still an open issue but making progress

Reconciliation of payments to Charter and Verizon has moved forward but a contract amendment is still needed and is in process. Charter now seems open to amending the contract to change to a fixed percent (possibly 3%) rather than the existing contract formula. Kathy is pursuing this amendment.
