1. Reviewed distributed tasks from previous meetings:
  - Chriss Kowal stepped down from the council on 10/17/2017 so Selvi will check December mails
2. Selvi submitted MCC Annual Report Sections 1 and 2 with updated grant information. Our budget for grants is \$5525. 15% of this (\$690) will go towards our own events/projects in 2018. So the remaining amount of \$4835 will be for grant applications.
3. Carefully reviewed and discussed each of the 21 applications submitted per MCC guidelines and Council Priorities. Approximate amounts for grants, overall impact in our community and close alignment with guidelines and priorities were discussed for each application.
