Vote on minutes from November meeting.

Minutes accepted as presented.

Scott has been sworn in; still has to finish the MCC requirement.

Selvi and Catherine have put together the annual report. All set for all paperwork for town.

Review Corporate solicitation letter – Peter has started work on it but has not made much progress as of yet.

Review publicity options:

Talked about hosting a special evening to announce the grants; have each group mention their program, invite elected officials to attend, and reporters from local paper.

Discussion of hosting a Cultural Event – Selvi and Catherine will look into other events going on in town with the 250th Celebration – to see if we can ‘piggy back’ on an event to get exposure; with the thought to put together an Arts Event in the next grant cycle.

Leslie will contact Community Affairs about setting up a table and/or local craft vendors, robotics teams etc.

Recruiting New members: hold for next meeting

Any other business as it presents itself :

Bi-Annual Statewide Assembly attended by Peter – Senator’s presenting awards to various councils. MCC looking to pushing for more funding from State. A lot of materials were handed out, and he picked up some materials from other councils for ideas.

Next meeting will be Tues March 22nd 7PM @ Craftworks

Motion to adjourn: 7:55PM

Respectfully submitted,

Ande Lockwood
Secretary
