Public Hearing regarding the demolition permit for 6 Church Street.

The issuance of a demolition permit by the town of Northborough requires a review by the Historic Commission when the property is older than 100 years. Per the town demolition by-law, the Commission must hold a public hearing within 30 days of our notification of a demolition permit application regarding properties older than 100 years (section 2-36-03). This hearing is part of the process to determine if the 6 Church Street property should be considered as a Significant Historic Building.
