

# **PUBLIC HEARING NOTICE**

## **NORTHBOROUGH HISTORICAL COMMISSION**

### **Public hearing regarding the demolition permit for 187 Main Street (White Cliffs)**

Thursday February 12, 2015  
7:15 PM

Robert E. Melican Middle School  
Teaching Center, 1<sup>st</sup> Floor  
145 Lincoln Street  
Northborough MA

The issuance of a demolition permit by the town of Northborough requires a review by the Historic Commission when the property is older than 100 years. Per the town demolition by-law, the Commission must hold a public hearing within 30 days of our notification of a demolition permit application regarding properties older than 100 years (section 2-36-030).

The purpose of this public hearing is to collect additional Historical and Architectural information regarding the property. This information will be used by the Historical Commission to determine if the 180 day demolition delay should be continued for this property.

#### **PUBLIC HEARING AGENDA:**

- Explanation of the Demolition Delay By-law
- Review of the meeting purpose
- Review of the material currently available
- Public input regarding Historical & Architectural information on the Property
