

**Town of Northborough  
Parks and Recreation Commission Meeting  
February 9, 2010**

**In attendance: David Putnam, Sean McCann, Sean Durkin, Jim Wing, Allison Lane and Michelle Lyseth.  
Guests: John O'Reilly, Doreen Falkowski (both from NYSA), David Pierce and John Healy (both from NSYLA).**

*This meeting was called specifically to address field allocations for NYSA and NSYLA.*

**6:36pm—Meeting called to order.** Allison Lane (AL) began the discussion about spring field allocations. She explained that when she had begun scheduling the spring season, she had misunderstood information provided by a scheduler from NYSA and as a result was short for fields, which was the primary reason for the meeting.

Discussions between NYSA, NSYLA, the Parks and Recreation Commission and AL resulted in both boys and girls teams from NSYLA sharing space on the upper field at Ellsworth McAfee Park on Sundays from 12-6pm.

**8:00pm—Meeting Adjourned.**
