The Town has been working with Weston & Sampson to design the new town common area which will be built on town owned land at 39 & 45 West Main Street and incorporate the Civil War Memorial on the corner of West Main Street and Monroe Street. Two design concepts will be presented to the public on September 17th. Please attend to review and comment on the design plans. Representatives from Weston & Sampson will present the plans and describe the design process. Meeting will be held in the Selectmen's Meeting Room on the second floor of the town hall. Please contact Kathy Joubert, Town Planner at 508-393-5019 if you have any questions.
