**TUESDAY** January 19, 2016  
Northborough Trails Committee  
**Police Station Meeting Room**

## *Minutes*

*Attendees: Bob Mihalek, George Curtis, Forest Lyford*

7:05 p.m. Bob opened the meeting. Minutes of the November 2015 meeting were accepted.

### Maintenance topics & updates:

- Pieces found on ground from sign at Carney Park. Bob has pieces at home and is repainting them.
- Floating bridge on Cold Harbor trail has sections partially submerged and locked into the ice. Beaver activity seems to be increasing since water is deeper than past years. Work will be needed to fix the bridge once the ice thaws.

### New Projects/updates:

- Eagle scout candidate interested in Coyote trail rehabilitation. Specifically, bench cutting and reinforcing trail section that runs close to Assabet River.
- Forest putting together data on a series of hikes on town trails that have historical significance. Hopefully a file containing all these hikes can be ready for the town's 250<sup>th</sup> celebration.
