Maintenance topics & updates:

- Several general maintenance topics were discussed, focusing on mowing. Marielle reports that the Little Chauncy Trail was mowed recently. That trail near the model airplane field continues to be a major maintenance concern. Brush needs to be whacked back. The Connector Trail needs mowing, but easy access is blocked by ongoing construction near the treatment plant.

New Projects/updates:

- Bob reports that Eagle Scout candidate, Andrew Laurence, reconstructed the floating bridge on the Cold Harbor Trail as part of his Eagle project.

Other topics:

- George reports that more than 200 map packets were distributed at the Applefest Booth. As usual, many visitors to the booth expressed interest in exploring Northborough Trails.
- George will coordinate a Christmas party again this year.
- Several potential projects were discussed in response to inquiries by prospective Eagle Scout candidates.
