7:06 p.m. Bob opened the meeting.

Guests: Patti Kress and Joshua Kress

Minutes for the meeting on March 19, 2018 were approved. No meeting was held in April.

Bob reports that the parking area at Carney Park (Cold Harbor Trail) was temporarily closed for construction of the planned cell tower but has been reopened.

Patti and Joshua Kress were introduced to the committee. Joshua is seeking an Eagle Scout project in Troop 101. Committee members presented several ideas for his consideration.

Bob reports that three Kiosks are ready for installation at locations subject to approval by the Town Engineer. Brian suggested taking pictures of preferred location and showing them to the Town Engineer as a first step.

Brian followed up on previous discussions of providing clippers to volunteers to help with trail maintenance. Clippers can be purchased in bulk for about \$7:00 each. Brian will discuss the idea with Kathy Joubert, Town Planner, and will report back at the next trails meeting.

Bob and Brian have done considerable maintenance with chain saws since the damaging snowstorm in March.

George reports that he has received an application for a booth at Applefest. The street fair will be from 10:00 to 3:00 on Saturday, Sept. 15. He will be submitting the application for the Trails Committee.
