

Town of Northborough Wind Turbine Committee

May 26, 2010
Wind Turbine Committee Meeting
Northborough Town Hall
63 Main St. (Route 20)
Selectmen's Meeting Room 2nd floor

Reference: NWC10:526-27

AGENDA

7:00pm

1. Old Business:

a. Approval of May 12, 2009 Meeting Minutes.

b. SED has signed the contract for the Feasibility Study and installing the Met Tower. However during the town review, a general legal statement that requires the New York Legal system to be used was found. This needs to be changed.

c. Templeton Trip for photo's inside the Nacelle, Sean Hamilton Templeton Light Dept. Manager indicated they have, a 1.5 MW Wind Turbine from AAER Germany, on the ground scheduled to be installed this week (Its been six years to this point for Templeton), however the Nacelle is sealed up and will be unsealed when it is placed on top of the tower during installation. They chose AAER because it uses many American Superconductor Components and they are located locally at Fort Devens MA. Also a lot of their time was wasted talking to GE and finally GE would not sell only one Wind Turbine to the town.

2. New Business Topics:

Meeting with SED Tonight (provided the contract is settled)
Matt Vanderbrook SED – Power Point Presentation

3. Working Group Chairperson Report (s)

4. Any Other Business to Come Before the Committee

5. Next meeting Dates: June 9, 2010 (Wed), and June 23, 2010 (Wed).

Northborough Free Library

34 Main Street

Conference Room 1st floor

6. **Public Comments:** Note: Limited to **Registered Voters** only unless preapproved by Chair; speakers limited to 5 minutes/agenda item.

Adjournment 8:30 PM
