The Board had some general conversation regarding scheduling and if there would be any more interviews needed. Mr. Brown stated that an additional candidate which he had hoped to interview had withdrawn his application. The Board agreed that they have 2 candidates on the short list and asked Mr. Brown to arrange an additional meeting with department heads and the candidates. It is hoped that such a meeting will give us a feel for all personalities and find the best fit between existing employees and the candidates.

9:22 AM **Motion**: Danis second Carpenter to adjourn. **Vote**: 3-0 in favor

Respectfully Submitted,

Charles A. Brown
