

**CAW Meeting Minutes
June 20, 2013**

Meeting started at 6:30 pm

Guest Rhea Rancourt introduced herself.

Greeting, Introduction and Report – Beverly

- Bev said there is an issue with the Clynk account.
- She said she has been very busy with the cats and dogs. She would like to branch out – we will discuss this further when there are more members present.
- Bev also announced that in September she will be going into the schools to talk to students about animals and CAW. Peg can bring Gus.
- She told us that the Delux Hotel told her that they will save their cans and bottles for us this summer.
- It was voted to give Bev \$120 for the past year's bill for the website. We will address reimbursing her for mileage for her trips to the vet, etc. at the next meeting.

Vice-Chair Report – Jacqui

- Jacqui asked Peg and Dick what time they could come help with the yard sale. She will check with other members to see if they can help with the yard sale on July 13th.

Acceptance of Minutes

- Minutes from the May meeting were accepted.

Treasurer's Report – Peg

- Peg presented the Treasurer's report and it was accepted.

Food Bank

- Bev asked the interim Town Manager for the tax id number and he gave it to her. We can now use it to buy dog and cat food and also at the vet.

Website and Facebook – Bev

- Bev said there were 280 likes on Facebook. Not much activity on the website.

Brochures

- We have a lot of brochures. Jacqui said she will be folding them for the upcoming events.

Dog Issues

- Dog Park is scheduled to open July 1, 2013.

Cat Issues

- Debbie gave an update on the stray cat that was found on Fernleaf. The people that found him put a picture of him on Craigslist and the owner who was from Saco came and got him. He had gotten into a car with the driver not knowing. He got out of the car in OOB and went missing. It was suggested we take pictures of strays and post them on Craigslist. Maybe we can find the owners that way.

Fundraising

- Yard Sale/Bottle Drive/Pet Food Drive at Radley's Parking Lot on June 22nd, 9:00 am until 2:00 pm
- Yard Sale – Ocean Park, July 13th – Rain Date July 27th

Other Business

- It was voted to cancel the July meeting because a lot of members won't be available.

Meeting adjourned at 7:30 pm.
