USCAA Workshop Update... Dru Laduke went over a detailed draft of the proposed "Sponsorship Program" and is was supported by the Commission with comments. The final document will indicate that the sponsors are responsible for providing their signs to be displayed during the tournament. A size will also be determined for those signs. As with all signage at the Ballpark, a sample of the what the sign will look like needs to be presented to the Commission for final approval.

USCAA next meeting will be a workshop to be held 2/21/2011 location TBD if school is closed 7PM.

Fees for the Ballpark... after much discussion the Commission voted 3-2 to raise the fees to $150 for a day game and $250 for a night game. Paul will finalize info needed to present to the Town Council. If there are any groups that want to commit to multiple dates they can come to the Commission to be considered for negotiations.

Over 35 Group Fees... Tommy has worked out and agreement which had been endorsed by the Commission to set a discounted rate for the months of June, July and August for $2000 per month. This will allow them to play up to 4 day games and 8 night games. All other games will be priced on an individual basis unless they re-negotiate.
