FY 16 Department Descriptions & Justifications

Dana Kelley, Chief of Police

POLICE DEPARTMENT

The Police Department is charged with the preservation of life and property, through the enforcement of all federal and State laws and Municipal ordinances and regulations. An intricate part of achieving excellence in law enforcement is the adequate training of police officers, enhanced neighborhood policing and quality customer service.

Administration

The administrative division of the Police Department consists of the Chief of Police, the Deputy Chief and the Administrative Assistant. Administration is responsible for the day-to-day operations of the financial, staffing, training and overall efficiency of the Department.

Patrol Division

The patrol division, commanded by the Lieutenant is made up of three (3) teams each having a sergeant and corporal. The division is responsible for the overall protection of lives and property, maintaining law and order and responding to requests for services (emergency and non-emergency). The patrol division enforces all criminal and civil laws that are mandated by

Federal, State or Municipal Government. Of the 21 sworn officers in the Department, 17 officers are assigned to the Patrol Division.

Criminal Investigation Division

The criminal investigation division is comprised of a Detective Sergeant and one Detective. The detectives are responsible for, the investigation of all felony cases, and other related cases that are referrals from the Patrol Division on other Agencies.

Support Services Division

The support services division is responsible for all functions that support the Patrol and Criminal Investigation Divisions. This Division includes the Court Officer, Reserve Officers and Parking Enforcement.

When discussions began, the Chief and the Finance Director indicated again that some accounts from previous budgets had been transferred from the Police Budget to the Parking Enforcement budget and reverse so that they were being reflected in the proper department's expenses.

The Council discussed parking fees and the types of parking meters in an extensive dialogue particularly as it related to the request in the CIP budget below.

CIP PRESENTATION:

The Police Chief' recommendations for the CIP allocation were:

One police cruiser and associated equipment	\$ 42,918
One used parking enforcement vehicle and equipment	15,000
One used animal control van and equipment	15,000
Six Cale pay and display parking machines	55,800

The Finance Committee's recommendation for request for Capital Improvement were:

One police cruiser and associated equipment	\$ 42,918
One used parking enforcement vehicle and equipme	ent 15,000
One used animal control van and equipment	15,000
Six Cale pay and display parking machines	55,800

A total CIP allocation recommended \$128,718

Again the Council encouraged each department head to list their priorities in CIP funding. For the most part the Council did not have issues with the request of the Police Chief with the consensus that perhaps the six cale pay and display parking machines should be budgeted in two budget; one-half for 2016 and one-half for 2017.

The Chair thanked all those who participated in the discussions this evening.
