

Rec'd 4-18-91
Town Clerk

Minutes of the North Cove Historic District Commission

16 April 1991

Present: S. Wardlaw, Chair; Henri David, Alternate; Charles Ficker;
Lynne Wardlaw; R. Tietjen, Clerk.

Members of the public: J. Cole, S. Cole, L. David, K. Dubuc, P. Dubuc,
J. Horan, T. Horan, B. Shurts, and L. Tietjen.

The annual Spring meeting was opened by the Chair at 8:04 P.M.

The Clerk reported that the Town Clerk's list of terms of members and alternates of the Commission has been reconciled with that of the Commission.

The Chair reviewed the "Kelly house" situation, i.e. the inappropriateness of the lamp posts. In brief: There was no response to his requests for discussion of the matter with the Kellys, the problem was turned over to the Town Attorney, The Chair has written to "occupants" and then to the owner of record, Karen Finocaine, to no effect, and the Town Attorney has again been informed of the situation. There has been no resolution of the issue thus far. It was noted that the actual purchaser was Robert Foise, of North Cove Road.

There being no other old business, the Chair reported that the '91-2 budget for the Commission was \$197.

Lynne Wardlaw presented the question, as raised by Beth Schneider, of a possible "pooper scooper" rule or ordinance for the District. This, it was agreed, was beyond the purview of the Commission.

The meeting was adjourned at 8:25.

R.D. Tietjen, Clerk
