

Rec'd 11-4-91

Minutes of the Annual Fall Meeting, 30 October 1991

Present: Steven Wardlaw, Chair; Jack Schneider, Vice-chair;
Richard Tietjen, Clerk; Lynn Wardlaw; Henri David (Alt.)
and members of the public too numerous to enumerate here.

Absent: Charles Ficker

The Chair opened the meeting at 7:42

In view of a Town requirement, not surprisingly honored in the past more in the breach than in th'observance, the Chair set the dates for the 1992 Annual Spring and Fall Meetings at 29 April and 28 October. Be it noted that these dates may be changed, with adequate notice to the Town Clerk, as need be.

The terms of Lynn Wardlaw and Dick Tietjen having come to their ineluctable end, two new members were nominated and unenimously approved as replacements therefor, their terms to run to November 1995, pending appointment by the Board of Selectmen:

Liz David

Henri David (whose replacement as Alternate will be announced)

Ave atque vale!

Since a new Clerk will be needed Liz David volunteered her services and was duly appointed by the Chair, pending her appointment by the Board of Selectmen. Ms. Wardlaw and the retiring Clerk humbly accepted the thanks of the Chair and others for their modest contributions to the care and feeding of the Commission.

After the obligatory reading of the By-Laws of the Commission by the Chair it was moved by Schneider, seconded by Tietjen and voted by acclamation, to adjourn, at 8:01, the official part of the meeting to a talk by and discussion with former residents Nabs Luddington and Madeline Allen concerning various pieces and events in what is now the Historic District. Heartfelt thanks to them and, for the welcome refreshments, to Kathy Dubuc, Suzy Cole, Betty Haynes and Flo Perry!

Submitted, with cheery greetings to all, especially to my successor, this First day of November in the year of my deliverance from these arduous duties, 1991,

Richard D. Tietjen, Clerk
