

PUBLIC MEETING MARINER'S WAY DISCOVERY + ACTION PLAN

TUESDAY, JUNE 20, 2017

6:00 – 7:30PM

HUNTER'S AMBULANCE

309 BOSTON POST RD

OLD SAYBROOK, CT 06475

The Town of Old Saybrook is working on a “Brownfields Area-Wide Revitalization (BAR) Plan” for Mariner’s Way (Route 1 East between Saybrook Junction’s Town Center and Ferry Point’s Marina District) that builds on the Town’s 2014 Mariner’s Way Plan. This effort, the Mariner’s Way Discovery + Action Plan, will identify ways to support a new identity for Mariner’s Way and create action steps to revitalize the area and better connect this corridor from Town Center to the Connecticut River.

Please join us at this third and final public meeting where CivicMoxie, the Town’s consultants, will share and discuss refined land uses concepts for the key areas as well as streetscape options along Mariner’s Way. Please come and be a part of the conversation to help make this part of Mariner’s Way a more appealing place to live, work, shop, and play!

For future news and notification of meetings, please Sign Up for EDNews at www.oldsaybrookct.org/Pages/OldSaybrookCT_EconomicDev/index.

If you have questions, please contact Susan Beckman, Economic Development Director, Town of Old Saybrook, at Susan.Beckman@OldSaybrookCT.gov or (860) 395-3139.
