Did you know over 70 students took part in the ‘After School Clubs’ last school year?

Did you know Old Saybrook Middle School and OS Youth and Family Services collaborate to bring over 10 different kinds of clubs to enrich your student’s after-school hours?

Did you know we offered knitting, fencing, chess, ceramics, swimming and much more?

We’d like you to take a few minutes to check off with your student the types of after-school activities they’d be interested in participating in, ideas for activities you don’t see on here, and perhaps an area where you would like to bring your talent and time to lead an after-school activity.

- Hip Hop
