Re: **The Preserve**
Connecticut Freedom of Information Act
Request for Information

Dear Christine:

I appreciated the opportunity to talk with you today about some background research that we need to do. The request that I made on the phone and that I now repeat is that you provide me with a list of all subdivisions approved by the Town of Old Saybrook Planning Commission after April 13, 1995, the date on which the MABL requirements were adopted. As I explained on the phone, this will begin our process of trying to understand the practices and policies followed with regard to the application of these key requirements.

I know that you and other Town staff are quite busy given the pending application, but the sooner that we can get this information, the sooner we will be able to decide which files we need to review in detail.

Also, as I said, we will want audio duplicates of all recordings of all public meetings in which The Preserve is discussed, starting with the October 18, 2004 meeting of the Zoning Commission.

Thank you for your consideration.

Sincerely,

Dwight H. Merriam, FAICP, CRE
