Subject: Modification of Preserve Plan
Public Hearing December 1, 2010

Chairman McIntyre,

The Parks and Recreation Commission is extremely interested in all phases and plans pertaining to the "Preserve" property.

We have had detailed discussions and information gathering meetings. During the second week in December several commissioners along with Bob Doane will be walking certain portions of the property.

It is our hope and request that the public hearing scheduled for December 1, 2010 will be continued or left open until December 15, 2010. This additional time would allow for a more informed response from the Parks and Recreation Commission.

Thank you for considering this request and for allowing comment.

Sincerely,

Vicki Duffy
Parks and Recreation Director
