Hi Bonnie,

As requested, this is to confirm that the town is currently in compliance with Order # AO WR MU 15002 issued on June 16, 2015 and subsequent letter dated 8/25/2015. Woodard and Curran submitted on 10/21/2015 on behalf of the town of Old Lyme a draft EIE following requirements listed in section B.1.b. of the mentioned Order. The draft EIE is currently under review by DEEP staff and comments will be forwarded to the town as soon as possible in order to facilitate the completion of the referenced EIE document. I will draft a letter for DEEP management's review and signature confirming the information contained in this email.

Please contact me with any questions you may have relative to this matter.

Thank you for all your efforts to remain in compliance with the requirements listed in the referenced Order.

Carlos
