**RTA's regional bikeway signs in Orleans – See attached Map**

The Cape Cod Commission asked for the Bike and Pedestrian committee to give input on potential bike route signs that they are suggesting be put up in Orleans. The Bike and Pedestrian committee went through each suggested sign to give feedback on suggested sites: ( Numbers correspond to attached Map)

As a committee our general consensus was that none of these are actual bike routes, but that we would give some feedback, but overall Mefford Runyon will talk with George Meservey about the signs in general and their purpose.
