The meeting is to formally support the Orleans Historical Society's CPA request for funding for the organ. Dennis Dowd moved that the organ is an important artifact which needs to be preserved. Bonnie Snow seconded the motion. **The motion passed unanimously.**

There was discussion of whether there is a deadline for the use of CPA funds. It was agreed that there was not as long as progress was being made on the project.

Meeting adjourned at 1:20 PM.

Respectfully submitted,

Ann Sinclair
Secretary
