Serena Kilawee, Director of Orleans After School Activities Program, presented a better picture for the committee of what the program is and the important role it plays in the community. Nauset Together We Can has not gotten back to Arlene yet but we hope to get them to our next meeting.

Question was raised as to whether we can suggest to give an agency more money than what their application is for? Myra Suchenicz will ask Town Counsel, Mike Ford, for an answer.

Myra tells us that Independence House has not submitted their quarterly reports for the first 2 quarters so they have not received their grant money for this year. Mary L. will give them a call.

An additional meeting was added.
