The Legion Hall will be open this summer for our Lab and Storage.

GPS work is being done by Mark Budnick and John Jannell until Jake's  
pending deployment to Afghanistan. Mon and Friday. We will resume  
later.

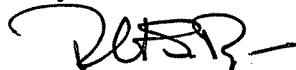

Nstar had a flyover in 2003 and that data is to be melded with Town Records and  
our GPS work. Stearns and Wheeler (\$8000 grant) is to coordinate existing  
plans into GPS scan.

We will be collecting photos of Debris, Junked Cars for further action.

We may also be stenciling data on catch basins.

Meeting adjourned at 11:25 am.

Respectfully submitted,
